Re: *In re Cathode Ray Tube (CRT) Antitrust Litigation*, Master File No. 4:07-cv-05944-JST, MDL No. 1917

Your Honor:

We write regarding the Clerk's Notice Continuing Case Management Conference, ECF No. 6014. The Notice scheduled a Case Management Conference ("CMC") to discuss dispositive motions and other pre-trial scheduling issues in the Indirect Purchaser Action for August 9, 2022, and also directed the IPPs and the Irico Defendants to submit a joint Case Management Statement by August 2, 2022. Since that Notice, Your Honor approved the Stipulation and Order re Scheduling Order ("July 20 Scheduling Order"), ECF No. 6034, vacating the *Daubert* and dispositive motions deadlines in the Indirect Purchaser Action pending resolution of Irico's Emergency Motion for Relief ("Emergency Motion"), ECF No. 6027. The issues related to the Emergency Motion are now fully briefed and the oral argument is scheduled for August 11, 2022.

In light of these later events, the parties believe that canceling the August 9th CMC and holding the next CMC after resolution of the pending Emergency Motion and subsequent meet and confer discussions or motion practice (as contemplated by the July 20 Scheduling Order) would be a more efficient use of the Court's and parties' time and resources. The parties therefore respectfully request that the Court vacate the dates in ECF No. 6014 subject to further proceedings. No other currently scheduled dates would be impacted by this change.
